

**Anders Norremo serves as Chief Executive Officer for ThirdPartyTrust.**

- ThirdPartyTrust offers an innovative vendor risk management platform that allows organizations to effectively scale and customize VRM programs.
- With ThirdPartyTrust, teams can assess more vendors with better information and no additional staff required.
- Prior experience includes 15 years state-of-the-art scalable SaaS companies. Anders served as Vice President at Firm58, where he ran deployment services and customer support.
- Previously, Anders worked at Accenture, where he managed large-scale enterprise implementations.
